

Do you have an amazing photo of Nevada geology that you would like to see in the next *2019 Nevada Geology Calendar*?

Entries are now being accepted for this photo contest!

Here is information about the current published 2018 calendar:

<http://pubs.nbmq.unr.edu/Nevada-geology-calendar-2018-p/cal2018.htm>

Here are the details for the 2019 calendar contest:

- Deadline for entries is **May 31, 2018**.
- Photos need to be taken in Nevada. A location description and/or GPS coordinates should accompany submissions along with description.
- High-quality, high-resolution photo files of at least 300 dpi are required for quality printing.
- You may enter as many photos as you wish.
- No requested themes – just show us what you have!
- E-mail submissions to Jack Hursh (jhursh@unr.edu).
- NBMG Cartographers will make the final decision on the winning photos.
- Prizes will be awarded for first-, second-, and third-place winners.
