

## **Jon Price receives national mining award**

Congratulations to Jon Price for winning the MMSA Gold Medal Award!

“Jonathan Price, former director of the Nevada Bureau of Mines and Geology at the University of Nevada, Reno and state geologist emeritus, received a Gold Medal from the [Mining and Metallurgical Society of America](#) (MMSA) at their annual conference Feb. 25. The highest honor awarded by the society, the Gold Medal is presented to individuals who have made significant contributions to the mineral industry.”

"The leadership and vision of Jonathan Price has built one of the finest organizations in the United States," Jeff Thompson, dean of the College of Science, said about Prices's work in the Bureau of Mines and Geology. "He richly deserves the prestigious Gold Medal Award from the Mining and Metallurgical Society of America and we are very proud of his accomplishments."
