Dinner Meeting: Thursday, Mar 6, 2014

Speaker: Patrick Walsh, Ormat Technologies, Inc.
Reno, NV

Topic: Steamboat Complex Geothermal System, Reno Nevada

Place: Ramada Reno Hotel
1000 East 6th Street, Reno, Nevada

Cocktail Reception 6:30; Skyline Room, 14th Floor

HOSTED BY:

BARBOUR WELL Inc.
Oil and Geothermal Drilling Services

Dinner Served at 7:00 PM

Dinner Costs:
NPGS Members $ 20; Non- Members $23; Students $10

RSVP with the following link to make reservations for the Mar 6th Dinner Presentation.

https://docs.google.com/forms/d/1m9J1kO3b5yBdtY0-WXay5aCxBLhiwexM57ulUP3r45M/viewform

Keep in mind that NPGS is charged for every meal that is reserved.

SEE CALENDAR Pages 16-17 for upcoming meetings
Special Guest Introduction – Elmo Brown, RMS-AAPG President

We are honored to have Elmo Brown, President of the Rocky Mountain Section - AAPG as our guest at the NPGS meeting March 6. There will be a brief introduction and discussion about the Rocky Mountain Section; how they support the NPGS, the annual meeting, awards, etc.

NPGS Monthly Dinner Meeting – Mar 6, 2014

NEVADA PETROLEUM AND GEOTHERMAL SOCIETY
THURSDAY, March 6th DINNER MEETING
Steamboat Complex Geothermal System, Reno Nevada:
history, geology, and reservoir characteristics
Patrick Walsh, Greg Rhodes, Lara Owens, Paul Spielman, John Akerley

The Steamboat Geothermal System in Reno, NV has a long history of geothermal utilization for spas dating back to the 1800s and electricity generation since 1986. Ormat Nevada Inc. has operated the entire Steamboat Field since 2004. Currently, geothermal wells at Steamboat Hills Geothermal System in Nevada produce 78 MW from 7 power plants and 2 connected reservoirs. Upper Steamboat produces ~380-400 °F from fractured metasediments at 2500-3000 ft depth and Lower Steamboat produces ~300 °F from fractured and altered granodiorite at 500-1000’ depth. The deeper wells target orthogonal high angle fractures striking NE-SW and WNW-ESE and dipping between 55 and 85 degrees. The shallower wells in Lower Steamboat produce from lower angle fractures that may have been caused by unloading associated with erosion prior to deposition of Tertiary and Quaternary volcanic rocks and sinter deposits. Recent drilling and reservoir modeling have provided data needed to optimize field operations, maximizing production and minimizing resource cooling.

About the Speaker:

Patrick Walsh, Chief Geologist, Ormat Technologies, Inc.
As chief geologist for Ormat Technologies, Inc., Patrick Walsh oversees the technical aspects of the company’s Western U.S. and international projects. He is also the lead geologist for several Ormat projects including Steamboat Hills, Platanares, and Brawley. With 14 years of experience, Walsh has specialized in geothermal, water and petroleum resource assessment, exploration, and development. Ormat Technologies is a world leader in the geothermal power plant sector. The company has four decades of experience in the development of state of the art, environmentally sound power solutions, primarily in geothermal and recovered energy generation. Ormat is responsible for the development of over 1750 MW of geothermal generation and operates over 626 MW worldwide.

Cocktail Reception 6:30 Hosted by Barbour Well:

Scott Watkins, Client Relations
WELCOME NEW NPGS MEMBERS:

- Eliopulos, George  Geologist, Leda Resources, LLC  Reno, NV
- Kern, Richard  Owner, Great Basin Oil, LLC  Reno, NV
- Lee, Catherine  Sr Specialist, Enviroscientists, Inc.  Reno, NV
- Ruud, Eric  Manager, Inspectorate America Corp.  Sparks, NV
- Ruud, Laura  Manager, GSN  Reno, NV
- Stephens, James  Manager, National Exploration  Elko, NV
- Watkins, Scott  Manager, Barbour Well, Inc.  Henderson, NV

Total membership as of Dec 2013 was 175. More than 30 members have not renewed for 2014. Please take a moment to renew your membership, if you have not already done so.

NDOM Public Workshop – Amendment of Regulations:

From Nevada Division of Minerals: Notice of Public Workshops for the Amendment of Regulations for Oil and Gas Wells, Wells Intended for Hydraulic Fracturing and for Geothermal Wells

- Monday, March 17, 2014, 10:00am-12:00pm, Legislative Counsel Bureau, 401 South Carson St., Room #3138, Carson City, NV 89701
- Wednesday, March 19, 2014, 10:00am-12:00pm, Great Basin College, GTA Bldg 8, Room 130, 1500 College Parkway, Elko, Nevada
- Friday, March 21, 2014, 10:00am-12:00pm, Legislative Counsel Bureau, 555 E. Washington Ave., Ste 4412, Las Vegas, Nevada 89101

If you have questions, please contact Valerie Kneefel, NDOM:  Phone: (775) 684-7043  Email: vknnefel@govmail.state.nv.us

GSN Field Trip – May 2-4, 2014

GSN SPRING 2014 FIELD TRIP - May 2-4, 2014
Humboldt Range, Majuba Hill, and Trinity Range (Au, Ag, Cu, Sn, W, Be, Hg, Sb, B).

From GSN Newsletter, March 2014: Register now for the GSN's Spring Field Trip coming up on Friday May 2 to Sunday May 4, 2014! Jonathan Price, GSN V.P. and field trip leader has laid out a great itinerary for the 3-day trip. We will overnight in Lovelock, Nevada both nights. This trip will be a bit different as we will be riding in
4WD vehicles so we can visit places that a bus just can’t get to. Bring your rock hammers and questions and join your fellow geologists on this one-of-a-kind adventure. Contact Laura Ruud, GSN Office Manager, for more information: gsn@gsnv.org.

GSN Symposium 2015; May 14–24, 2015
John Ascuaga’s Nugget Hotel and Casino in Sparks, Nevada

“Even as much as the world has become available for exploration over the past decade, miners continue to return to Nevada. Why? Political stability, transparent regulatory environment, good infrastructure and GREAT GEOLOGICAL POTENTIAL. Miners return to focus on Nevada’s geology and its important mineral deposit types: Carlin, epithermal and intrusion-related gold and silver, as well as other deposit types (porphyry Cu and Mo, IOCG and industrial materials) are also rising in importance.”

A message from Laura Ruud, GSN Office Manager: The GSN 2015 Symposium Committee has been hard at work for months now organizing the next magnificent GSN Symposium to be held May 14-24, 2015! [Please see link below for] the first announcement flyer, and we encourage you to read and share with any colleagues you wish that may not be GSN members and who will want to participate. The Committee has already started lining up the field trip itineraries, speakers, exhibitors, posters, a core-shack, and a joint GSN-SEG Forum to be held on May 17, 2015 the day before the Symposium technical sessions begin.

Questions regarding the meeting can be directed to Molly Hunsaker, Symposium Chair, at mollyhmunsaker@2015gsnsymposium.org. If you have questions about submitting an abstract, or an idea for a technical paper, the Technical Program Chairs are John Muntean and Moira Smith. Co-hosts for the GSN Symposium 2015 are Society of Economic Geologists, Nevada Bureau of Mines and Geology, and U.S. Geological Survey.

BLM Job Announcements

Position Information:
Job Description: Engineering Technician (Petroleum)
Announcement Number: MT-DEU-2014-0033
Location(s) of position: Dickinson, ND, US
Salary: $28,269 - $75,376
Applications will be accepted until: 03/07/2014.
For additional information on this job posting, please go to: https://jobs.mgsapps.monster.com/blm/vacancy/viewVacancyDetail!execute.hms?orgId=3&jnum=109347

Position Information:
Job Description: Mining Engineer/Geologist (Interdisciplinary)
Announcement Number: NV-DEU-2014-0057
Location(s) of position: Winnemucca, NV, US
Salary: $47,923 - $75,376
Applications will be accepted until: 03/13/2014.
For additional information on this job posting, please go to:
https://jobs.mgsapps.monster.com/blm/vacancy/viewVacancyDetailexecute.hms?orgId=3&jnum=109381

**Position Information:**
Job Description: **Environmental Protection Specialist**
Announcement Number: NV-DEU-2014-0056
Location(s) of position: Winnemucca, NV, US
Salary: $47,923 - $75,376
Applications will be accepted until: 03/12/2014.
For additional information on this job posting, please go to:

Rocky Mountain Section—AAPG
Annual Meeting
July 20-22, 2014

Registration opens mid-April.
Visit www.aapgrms.org/2014
to register and save money!

Promote your visibility in the geologic community by being a Sponsor.

The RMS-Aapg annual meeting attracts hundreds of attendees. It’s a simple way to gain name recognition and to network with potential clients, partners, and employees.

The RMS-AAPG Annual Meeting will include:

- Two days of technical presentations
- Three short courses
- Four field trips
- Two different core sessions
- A Teacher’s Program
- Social and Networking Events
- All-Convention Luncheon
- AND MORE!

For more information, visit www.aapgrms.org/2014

Hosted by: The Rocky Mountain Association of Geologists
Nevada Petroleum and Geothermal Society Sponsorship Request for 2013-14

On behalf of the Nevada Petroleum and Geothermal Society (NPGS) Board of Directors, I invite you and your firm to join our NPGS Sponsorship Drive for the 2013-2014 term.

Annual support for the NPGS from firms active in Nevada is necessary so that this Society can continue to perform our programs, including distribution of research awards to University of Nevada, Reno, University of Nevada, Las Vegas, and other graduate students performing research relevant to the geology of the Great Basin, monthly professional dinner presentations, and community outreach activities such as the Nevada Bureau of Mines'-UNR's Earth Science Week Field Trips.

You and your firm’s continual support at any level clearly shows your commitment to our profession. We have three sponsorship levels available this year:

**Gold Level Sponsors** will receive numerous benefits which allow them to maximize their positions as leaders in our local geological community. As a Gold Level Sponsor, your Company will be prominently displayed on a full page of our monthly newsletter and on our web site (http://www.nbmg.unr.edu/nps/). We will advertise opening positions with your Company at any time that you request during the year. We will also run your Company’s promotional slide show at a monthly dinner where we will present you with an elegant commemorative plaque that you can proudly display at your office. Please also consider developing a short dinner showcase that highlights your firm or is of general interest to the membership. Gold Level Sponsorship costs only $500 per year.

As a **Silver Sponsor**, your Company’s business card will be displayed in a section of our monthly newsletter and on our website. We will advertise opening positions with your Company as requested at any time during the year. Silver Sponsorship costs $300 per year.

**Corporate Sponsorships** are flexible. Corporate Sponsors will be able to provide NPGS with any amount of their choosing. Sponsors providing greater than $500 will receive all the benefits as a Gold Level Sponsor. Sponsors providing less than the Gold Level amount will receive name recognition in both our website and our monthly newsletter.

Please help to sponsor the NPGS by filling out the attached Sponsorship Application Form and telling us where you would like to designate your sponsorship dollars. NPGS is a 501c3 non-profit organization. Contact your tax advisor to determine which portion(s) of your donation is (are) deductible.

We also have opportunities for you and your Company to host the Ramada bar during our dinner meetings. If you would like to host the bar, please contact me prior to one of the meetings at 775-200-5143 to set that up. Or you can provide a donation to our NPGS Scholarship fund which has provided significant assistance to our University of Nevada Mines and Geology students, or even to our General Fund, which helps us to provide you with our informative dinner meetings. Please designate the desired amount(s) on the attached Sponsorship Application.

As always, we welcome your suggestions on how our Society’s programs and activities can be improved. More importantly, we welcome the participation of you and your firm’s staff at our monthly dinner presentations and at all of our events. If you know of anyone who is interested in serving in a leadership position on our Society’s Board of Directors, please encourage them to contact us. Their involvement will ensure a vibrant future for the Nevada Petroleum and Geothermal Society.

We look forward to working with you to help make our Society the best that it can be. Please contact me at 775-200-5143 or email me at jkareck@lumosengineering if you have any questions or require any additional information.

Judy M. Kareck, P.E., Vice-Chair, Nevada Petroleum and Geothermal Society
NEVADA PETROLEUM AND GEOTHERMAL SOCIETY
2013-2014 Sponsorship Application

Nevada Petroleum and Geothermal Society
P.O. Box 11526
Reno, NV 89519
Minden, Nevada 89423

Firm/Agency Name: 
Mailing Address: 
Phone Number: 
Fax Number: 

Primary Contact (1)
Sponsor Name: 
Email Address: 
Secondary Contact (2)

Indicate Level of Sponsorship Desired:
(3) GOLD $500
(4) SILVER $300
(5) CORPORATE $ 

Indicate where you would like to designate your sponsorship dollars:
A. NPGS - University of Nevada Mines and Geology Student Support
B. NPGS General Support

Total Amount Designated will Add up to Total Amount Sponsored $ 

Primary and secondary contacts represent the individuals who will serve as direct liaison with the NPGS Board of Directors. They will be counted on to distribute information, solicit involvement, and provide feedback as to what they would like to see the Society accomplish. They can also develop leadership skills by participating and volunteering in NPGS functions.

(3) GOLD Level Sponsors receive numerous benefits which allow them to maximize their positions as leaders in our local geological community. As a GOLD Sponsor, your Company logo and business write-up will be prominently displayed in a full page of our monthly newsletter and on our website (http://www.nbmg.unr.edu/npgs). NPGS will advertise opening positions with your Company at any time during the year. We will present you with an elegant commemorative plaque that you can proudly display at your office showing your commitment to this community. Please also consider developing a brief dinner showcase that either highlights your firm's expertise or is of general interest to the membership.

(4) SILVER Level Sponsorship costs $300 for the 2013-2014 year.

As a SILVER Level Sponsor, your Company's business card and/or logo will be displayed on a portion of our monthly newsletter and on our website. We will advertise opening positions with your Company at any time during the year. SILVER Level Sponsorship costs $300 for the 2013-2014 year.

(5) CORPORATE Level Sponsors can provide the NPGS with any amount of their choosing. Amounts exceeding $500 will be given the same benefits as the GOLD Level. Amounts less than $500 will be given name recognition in both our website and monthly newsletter.

Notes:
Checks written to the Society should be written to: Nevada Petroleum and Geothermal Society and mailed to Steve Foster, Treasurer, at the above address.

The NPGS is a 501c3 non-profit organization. Contact your tax advisor to determine which portion(s) of your donation is (are) deductible.

E-35 Major mines, oil fields, and geothermal plants in Nevada
E-46 Taking the pulse of the Earth
E-51 Life’s a beach: In search of ancient shorelines and volcanoes in the Grimes Point and Lahontan Mountains area

**Lists**

L-5 Index to geothermal well files housed at NBMG: Davis and Hess (2009) updates App. 2 of B91, $19.50

**Maps**

M126 Nevada geothermal resources: Shevenell, Garside, and Hess (2000), superseded by M161
M141 Nevada geothermal resources (second edition): Shevenell and Garside (2005), 1:750,000, $16.00 for paper copy, available folded or rolled, superseded by M161
M146 Geologic map of the Fraser Flat quadrangle and the west half of the Moses Rock quadrangle, Washoe Co., NV
M151 Geothermal potential map of the Great Basin, western United States: Coolbaugh and others (2005), 1:1,000,000, $30.00, rolled only
M161 Nevada geothermal resources: Penfield, Shevenell, Garside, and Zehner (2010), 1:750,000, $18.00, folded or rolled, supersedes M126 and M141

**Mineral Industry Series**

MI-1979 through current year—The Nevada mineral industry is published annually and has a section on geothermal activities, varies with year, MI-1994-current year available free on Internet at http://www.nbmg.unr.edu/ and click on “Online Documents.”

**Newsletters**

Nevada Geology Newsletter no. 19, page 3 (Summer 1993) “Low-temperature geothermal resources in Nevada” by Larry Garside

**Open-File Reports**

OF83-6 Preliminary map of thermal wells in the Moana geothermal area, Reno, Nevada: Garside, $8.00
OF87-2 Mineral resource inventory—U.S. Navy master land withdrawal area, Churchill County, Nevada: Quade and Tingley, $92.00
OF94-2 Nevada low-temperature geothermal resource assessment: 1994: Garside, with a bibliography by Davis and Garside, $40.00 for text and plate, or $20.00 for text on disk, or $7.00 for plate only
OF96-2-9 Reconnaissance photogeologic map of young (Quaternary and late Tertiary) faults in Nevada: (Plate 9) 1:1,000,000, map and text, $15.00
OF03-27 Preliminary geologic map of the Desert Peak-Brady geothermal fields, Churchill County, Nevada: Faults and Garside (2003), $15.00 (see also B97)
OF06-5 Mineral- and energy resource potential for White Pine County, Nevada
OF06-6 Mineral- and energy resource potential for Pershing County, Nevada
OF06-7 Mineral- and energy resource potential for Lyon County, Nevada
OF08-12 Potential resources associated with proposed roadless areas in Nevada
OF09-10 Preliminary geothermal potential and exploration activity in Nevada: Zehner, Coolbaugh, and Shevenell, 1:1,000,000-scale plate and text, $20.00 (supersedes OF09-1)
OF10-6 Preliminary geologic map of the Lee-Allen geothermal area, Churchill County, Nevada
OF11-3 Preliminary geologic map of the Reese River geothermal area, Lander County, Nevada
OF11-10 Descriptive logs, skeletonized samples, and photographs of core from Presco Energy’s thermal gradient wells P3-1, P 10-1, and P 32-2 in the Rye Patch area, Pershing County, Nevada: Davis (2011, Web version only)
Preliminary geologic map of the northern Lake Range, San Emidio geothermal area, Washoe County, Nevada: Rhodes, Faulds, and Ramelli, scale 1:24,000, $18.00

Data tables and graphs of geothermal power production in Nevada: Shevenell, Price, and Hess (1985-2011, Web version only)

**Reports**

R21 Geothermal exploration and development in Nevada through 1973

R25 Evaluation of geothermal activity in the Truckee Meadows, Washoe County, Nevada: Bateman and Scheibach (1975), $4.00

R33 Papers on mineral deposits of western North America: (1979), presented at the Fifth Quadrennial Symposium of IAGOD, $10.00

R41 Precious-metal mineralization in hot springs systems, NV-CA: Tingley and Bonham (1986), $15.00

R43 Mineral resources of the Kumiva Peak 30' by 60' Quadrangle: Tingley (1989) pp. 16-17, $5.00

R44 Mineral resources of the Pahranagat Range 30' by 60' Quadrangle: Tingley (1989) pp. 8-9, $5.00

R45 Mineral resources of the Overton 30' by 60' Quadrangle: Tingley (1989) pp. 12-13, $5.00

R46 Mineral resources of the Timpahute Range 30' by 60' Quadrangle: Tingley (1991) pp. 30-31, $5.00

R51 Preliminary assessment of the potential for carbon dioxide disposal by sequestration in geological settings in Nevada

**Special Publications**

SP4 Geology of Nevada: a discussion to accompany the Geol. map of Nevada (see below): Stewart (1980), $25.00

00001 Geologic map of Nevada: Stewart and Carlson, U.S.G.S. (1978) 1:500,000, available rolled only, $20.00 available free on the Internet at <http://keck.library.unr.edu/> and click on "Great Basin geoscience dataset" or at <http://www.nbmg.unr.edu/dox/dox.htm>, see SP4 for descriptive text

**Urban Map Series**

3Ah Energy and mineral resources map of the Las Vegas SE Quadrangle: Papke and Bell (1973) available rolled or folded, $2.00

4Ah Energy and mineral resources map of the Reno Quadrangle: Bingler, Bonham, and Luza (1973) available rolled or folded, $2.00

5Ah Energy and mineral resources map of the Washoe City Quadrangle: Papke and Jones (1978) available rolled or folded, $2.00

**Nevada Petroleum Society**

NPS5 Geology of White River Valley, the Grant Range, Eastern Railroad Valley and Western Egan Range, Nevada

NPS18 Oil, gas and geothermal occurrences in northwestern Nevada

NPS22 Geology, Geothermal Resources and Petroleum Exploration of Neogene Basins in the Reno, Nevada Area

**USGS Publications**

I-1701 Bouguer gravity anomalies, depth to bedrock, and shallow temperature in the Humboldt House geothermal area, Pershing County, Nevada: Schaefer (1986), $9.00

OF74-1066 The chemical composition and estimated minimum thermal reservoir temperatures of the principal hot springs of northern and central Nevada, call for prices

OF81-918 Geothermal resources of the western arm of the Black Rock Desert, northwestern Nevada, part I, geology and geophysics: Schaefer, Welch, and Maurer (1983), 41 pages and 4 plates, call for prices

**Other Resources**

Great Basin Center for Geothermal Energy is at [http://www.unr.edu/geothermal/](http://www.unr.edu/geothermal/).
